

NAME THE HUSKY CONTEST

HELLO
my name is

KIDS! WE NEED YOUR HELP!

Meet the Hamilton Paramedic Service's newest team member!

This husky pup is super friendly and smart and has an important job to do for the Hamilton Paramedic Service. A stuffie of this husky pup will help our young patients feel less afraid when they need an ambulance during an emergency. The husky pup will also help our paramedics teach children about staying healthy and safe when the paramedics visit schools and go to community events.

But we have one problem. The husky pup doesn't have a name. Can you think of one?

One name will be picked that will become the husky's name. This name will be printed on the shirt of all the stuffies we give out. All you have to do is colour the husky pup on the front of this page, print your idea for a name in the box and then have an adult send it back to us.

Good luck and stay safe!
